Redplumm Global Limited (Seychelles 230133) is not a financial services provider nor do we provide financial advice. Forex trading, Crypto currency trading and Crypto currency investment involves substantial risk and you can lose money. Please think carefully before investing. Do not invest or use money you can't afford to lose. The trading ideas presented are for information purposes only and in no way constitute an investment approach.

Redplumm Global Limited (Seychelles 230133) herewith referred to as the "Company", provides analytical tools, forex signals, research and trading systems. All information is for educational purposes only. Neither unique experiences, past performances, historical tests, nor included or accessible strategies constitute recommendations or guarantee future results. Results are reported on live account showing closed trade performance on fixed lot setting. No representation is being made that any account will or is likely to achieve profits or losses similar to those discussed in any material on this website and/or on social media and/or in person meetings. By signing up for our service you acknowledge that we do not provide investment advice and that you are making a decision to copy our signals in your own account. You must make your own financial decisions. Redplumm Global Limited (Seychelles 230133) takes no responsibility for any money made or lost by following our signals. The Company, its subsidiaries, employees, and agents do not solicit or execute trades or give investment advice and are not registered as brokers or financial advisors. Trading in forex, stocks, futures, crypto currency and options is speculative in nature and not appropriate for all investors. Investors should only use risk capital that they are prepared to lose when trading forex, stocks, futures, crypto currency and options because there is always the risk of substantial loss. Clients should fully examine their own personal financial situation before trading.

Redplumm Global Limited (Seychelles 230133) is not an investment advisory service, nor a registered investment advisor or broker-dealer and do not purport to tell or suggest which securities or currencies customers should buy or sell for themselves. The analysts and employees or affiliates of the Company may hold positions in the stocks,

crypto currency, currencies or industries discussed here. You understand and acknowledge that there is a very high degree of risk involved in trading securities and/or currencies and/or crypto currency. The Company, the authors, the publisher, and all affiliates of the Company assume no responsibility or liability for your trading and investment results. Factual statements on the Company's website, or in its publications, are made as of the date stated and are subject to change without notice.

It should not be assumed that the methods, techniques, or indicators presented in these products will be profitable or that they will not result in losses. Past results of any individual trader or trading system published by the Company are not indicative of future returns by the trader or system, and are not indicative of future returns which may be realized by you. In addition, the indicators, strategies, columns, articles and all other features of the Company's products (collectively, the "Information") are provided for informational and educational purposes only and should not be construed as investment advice. Examples presented on the Company's website / in person meetings and through electronic transmission are for educational purposes only. Such set-ups are not solicitations of any order to buy or sell. Accordingly, you should not rely solely on the Information in making any investment. Rather, you should use the Information only as a starting point for doing additional independent research in order to allow you to form your own opinion regarding investments. You should always check with your licensed financial advisor and tax advisor to determine the suitability of any investment.

You agree to indemnify and hold harmless the Company's respective affiliates, directors, members, partners, shareholders, officers, employees and agents from and against any and all losses, liabilities, damages, penalties, costs, fees and expenses (including legal fees and disbursements) which may result, directly or indirectly, from any action or obligation of the Company or broker arising from this service.

The Company makes no promises, representations or warranties, express or implied, whatever including, without limitation, that the Information is accurate or fit for any particular purpose or that the Information, the website, signals, copier technology or any related service will be delivered to you in an uninterrupted, timely, secure or error-free manner.

To the fullest extent permitted by law, the Company disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, as to the Website, the Information and any and all related products and services offered on or in connection with the Website.

For the avoidance of doubt, the Company will not be liable for any losses, liabilities, damages, penalties, costs, fees and expenses resulting, directly or indirectly from any action attributable to the Broker, exchange and/or technology and its respective

affiliates, directors, members, partners, shareholders, officers, employees and agents.

You are aware that your capital is at risk when you invest in crypto and or forex. You are of sound mind when signing this document. You will not hold the directors/ shareholders/ agents / investment managers/ managers and staff accountable should anything happen to your capital/ profit or investment.
